You: hello wolfgang

Wolfgang Pizoletti: hi

You: what's going on here? why is everybody dancing?

Wolfgang Pizoletti: You get money for dancing

Wolfgang Pizoletti: when the dance pads are "on"

You: are you german?

Wolfgang Pizoletti: no

You: how come your name is wolfgang?

Wolfgang Pizoletti: LOL

Wolfgang Pizoletti: Always loved the name

Wolfgang Pizoletti: And my wife wont let me name our kid that

Wolfgang Pizoletti: so I figure here's a good a place as any

You: lol

You: so are you making money by dancing?

Wolfgang Pizoletti: I was looking for a pad that was on, that wasn't taken

Wolfgang Pizoletti: can't find one

You: hm....

Wolfgang Pizoletti: you can find chairs and pads and poles and all kinds of stuff that give you money for camping

Wolfgang Pizoletti: Some have time limits of sorts, some ask for a code, some just turn off from time to time

You: so why do you want to go camping?

Wolfgang Pizoletti: The land owners get money from having people stay at their place

Wolfgang Pizoletti: so they provide a way for people to hang out indefinitely

You: how come that there are not that many people around?

Wolfgang Pizoletti: what time zone are you in?

Wolfgang Pizoletti: for me, it's 2 am

Wolfgang Pizoletti: so I figure thats why

You: for me it's 11.00 am

Wolfgang Pizoletti: also, the client will log you out if you are inactive for 30 minutes

Wolfgang Pizoletti: unless you know how to fake it out

You: do you know how to do that?

Wolfgang Pizoletti: I think so, haven't tried it yet but you can put your mouse on something moving when you camp

You: ok!

Wolfgang Pizoletti: and I think the client will not kick you off

Wolfgang Pizoletti: So if you are dancing, keep your mouse on you :)

Wolfgang Pizoletti: looking for the best places

Wolfgang Pizoletti: found this place by chance

You: me, too, because it's one of the places with the most people in

You: i'm doing my exam now and i actually want to focus on this relationship

You: between VR and RW

VR = Virtual Reality

Wolfgang Pizoletti: Cool

RW = Real World

Wolfgang Pizoletti: :)

You: i think its very interesting how all that interweaves

Wolfgang Pizoletti: I would say the artists have a leg up on everyone here in SL

Wolfgang Pizoletti: No kidding, that's what got me interested in it way back when

Wolfgang Pizoletti: The whole question of what happens when you give the world a new one to live in

Wolfgang Pizoletti: and make it easy for them to do anything they want...for the most part

Wolfgang Pizoletti: Fascinating

You: very fascinating

You: so what do you think, did WoW change something in you life?

Wolfgang Pizoletti: I would say yeah

Wolfgang Pizoletti: I think about personal relationships in RW in a different way

You: in which way?

Wolfgang Pizoletti: It's weird, I would say I can deal with people better

Wolfgang Pizoletti: I can analyze them easier

Wolfgang Pizoletti: hard to pinpoint

You: maybe because you are interacting a lot in the games with unknown people

Wolfgang Pizoletti: yeah, that's huge in games like this

Wolfgang Pizoletti: You have to be quick to decide who's compatible with you

You: that's true - have you met many nice people?

WoW = World of Warcraft ist ein sogenanntes „massively multiplayer online game“, in dem tausende von Spielern miteinander und gegeneinander kämpfen.

Wolfgang Pizoletti: For the most part yeah, more in SL than in WoW

Wolfgang Pizoletti: But I think that's more along the lines of the type of game play

Wolfgang Pizoletti: People here are just friendlier

Wolfgang Pizoletti: People in WoW are not unfriendly, but more directed goal oriented

You: because there are explicit goals, aren't there?

Wolfgang Pizoletti: yeah

You: how much time do you spend in SL?

Wolfgang Pizoletti: everybody in WoW thinks of leveling their character

Wolfgang Pizoletti: So far not much

Wolfgang Pizoletti: Today's been the longest at around 4 or 5 hours

Wolfgang Pizoletti: Not sure when I actually signed on

You: which level are you in WoW?

Wolfgang Pizoletti: I have 2 characters, my main is lvl 45, the other is 30 something

You: that's pretty good?

You: how many levels are there?

Wolfgang Pizoletti: 60

You: so the goal in SL is more commercial, or what do you think?

Wolfgang Pizoletti: That's a good question, I haven't figure that out yet

You: i mean the big thing is not to reach any level but to make as much money as possible ?

Wolfgang Pizoletti: There are definitely a lot of people here selling stuff

You: that's really very amazing

Wolfgang Pizoletti: I guess yeah

Wolfgang Pizoletti: Since you need money to buy anything from anyone or to upload pictures for your own creations

Wolfgang Pizoletti: Or to own land for that matter

Wolfgang Pizoletti: So yeah...

Wolfgang Pizoletti: did I pass?

You: what do you mean? :)

Wolfgang Pizoletti: I just realized the way I answered you was like I was answering an essay question or something ;)

You: that's true - sorry

You: i'm just very curious

Wolfgang Pizoletti: Don't apologize, it was all me

Wolfgang Pizoletti: I like talking about this stuff

Wolfgang Pizoletti: yeah, it's more fluid and open ended

Wolfgang Pizoletti: You'll have to explore some of the more seedy aspects of this game

Wolfgang Pizoletti: It amazes me how much of a sex industry there is here

You: really?

Wolfgang Pizoletti: I was visiting one mall the other day here, and there are people selling sex positions and animations

Wolfgang Pizoletti: That's the cool part...you have no idea

Wolfgang Pizoletti: :)

Wolfgang Pizoletti: /lol

Gretchen Havercamp: so the avatars can have sex?

Prisca Leopold: i am looking for submissives currently

You: so that's some kind of samurai-philosophy?

Prisca Leopold: no hun, you asked what makes D/s work, theres the keys right there

You: i don't get it though

You: what do you have to do then?

Gianna Jakobs: anything they say

Gianna Jakobs: that is not good

Gianna Jakobs: too me

You: but that's ridiculous!

Gianna Jakobs: so many do it here

Gianna Jakobs: men and women

You: what?

You: why?

Gianna Jakobs: they like it I guess

You: but what's the good side of being a slave?

You: is it just sexually?

Gianna Jakobs: none

Gianna Jakobs: you can be sexual anyway

Gianna Jakobs: I don't do sex in game

Gianna Jakobs: Lord and I do that at home

Gianna Jakobs: lol

You: lol

You: the sex-industry is really big in sl

Gianna Jakobs: yea

Gianna Jakobs: it makes good thesis material

Gianna Jakobs: lol

You: are you writing on a thesis?

Gianna Jakobs: no

Gianna Jakobs: but I might do phd

You: great! on the topic of online games?

Gianna Jakobs: on the impact of this game on realationships

Well, that's different. ;-)

Music control

You: so, you are into cybersex?

Ryley Beaver: thing is.. if people really like eachother here in sl.. let's say, they fall in love... they want more than just chatting and flirting.

Ryley Beaver: i am not a saint here. i admit. but i mostly chat

You: so, you fall in love with someone within 5 minutes?

Ryley Beaver: it's not that i just want to have sex with everyone i talk to here.

Ryley Beaver: no. not in 5 miutes

Ryley Beaver: minutes

Ryley Beaver: 6 or 7 minutes LOL

You: LOL

Ryley Beaver: no.. i don't easily fall in love

Ryley Beaver: sometimes i fall in lust.. not love ;-)

You: but you should know that you mostly have sex with guys then

Ryley Beaver: no i am sure i did not here.

You: how come?

Ryley Beaver: i only did it once here.

Ryley Beaver: and the girl i did it with, i saw her on webcam

You: what?

Ryley Beaver: and believe me: she is a girl LOL

You: so that's getting closer to sex then

Ryley Beaver: sort of yes.

Ryley Beaver: but still cybersex

You: i can imagine that your wife doesn't like that

Ryley Beaver: yep.

Ryley Beaver: so, you have your picture online?

You: no

Ryley Beaver: oh damn. LOL

Ryley Beaver: too bad

You: do you?

Ryley Beaver: yeah i have one.

Ryley Beaver: it's a silly pic though

You: ok, i check it

Ryley Beaver: well it's not in my profile.

You: where is it?

Ryley Beaver: i need to send it to you..

Ryley Beaver: shall i?

You: where to?

Ryley Beaver: here in sl

You: ok

Ryley Beaver: it will appear in your textures folder after you accepted it..

Ryley Beaver: pls wait

Ryley Beaver gave you ryley_guitar.

Ryley Beaver: now you can get scared LOL

You: :)

You: that's actually not as scary as your avatar!

Ryley Beaver: yeah.... well i look a lot younger here in sl

You: yeah and more like a proll

You: > you know proll?

Ryley Beaver: proll?

Ryley Beaver: nope. whats that?

You: yeah - like a village-macho-guy

Ryley Beaver: LOL.

Ryley Beaver: i'm far from that in rl ;-)

You: that's what it looks like :)

Ryley Beaver: sorry if i am a turn off ;-)

You: no, you aren't

Ryley Beaver: in sl i mean

You: you are maybe a bit of a turn off in sl :)

You: yeah, but in real life you don't look like that little sex-maniac

You: whose picture was just building up in my mind

Ryley Beaver: wait till you meet me LOL

Ryley Beaver: naa just kidding.

You: better not :)

Ryley Beaver: don't you really have a picture there?

You: no i don't

Ryley Beaver: that you can send by email or something.

Ryley Beaver: uploading in sl costs money

Ryley Beaver: at least it gives me an impression how you look.

You: no, sorry, i'm still unsure how to handle rl and sl

You: so are all inhabitants of "The Forest" some kind of lion or fox?

Seth Crystal: Some are lions, some are foxes, some are wolves. There's a few bears, a few weasels, three or four rabbits....

Seth Crystal: A chozo....

Seth Crystal: I think that about covers it.

You: :)

You: how come you chose to be a lion? > you are one, right?

Seth Crystal: Cougar, but in some parts of the world they're called mountain lions.

Seth Crystal: I'm a fan of cats personally, but tigers and lions are so common. I wanted to be unique.

Seth Crystal: When I joined SL, I hadn't heard of anyone being a cougar.

Seth Crystal: So I made my avatar, and now I'm told there's two others out there.

You: oh no :)

You: but so you designed it yourself?

Seth Crystal: Well I haven't seen them at all, and one of them is a „cougar/chameleon“ hybrid so he has an excuse to have green fur. o.O;

Seth Crystal: Yup, I designed everything you see myself.

Seth Crystal: I'm proud of my fur because I painted it myself.

You: so, but why did you want to be a furry?

Seth Crystal: The reason for most people to be a furry is as varied as there are sub cultures within the furry fandom.

You: i guess

Seth Crystal: I myself kind of see it as a semi-spiritual thing. In real life I have a lot in common with cats.

You: like what?

Seth Crystal: I'm lithe, graceful, have great balance, and I'm very light on my feet.

Seth Crystal: When I run I make almost no noise.

Seth Crystal: I've also got great motion sight and a better than average low light vision.
Seth Crystal: Plus I have whiskers, but that's mostly due to being lazy and not shaving as often as I should. >D

You: what's whiskers?

Seth Crystal: Slightly long stubble.

Seth Crystal: It's beard hair that's under 2 mm.

Seth Crystal: And here is my bed, which I also made and scripted.

Seth Crystal: It's a multi-pose bed. Only two pose balls, multiple couples poses.

You: great - did you script this multy-posing then?

Seth Crystal: Yup

Seth Crystal: I'm a gentleman, you don't have to worry about me. >)

You: ok :)

You: who's that girl on the picture?

Seth Crystal: Which one?

You: well on the photo

Seth Crystal: That is Jany Flow, she's a fellow teacher at TeaZers U.

Seth Crystal: That picture was taken at a movie night. It was a joke moment, the "Naked couch" rule was in effect.

Seth Crystal: Residents of the naked couch must remove all their clothing. >)

You: :) > no problem for you :)

You: but still with glases :)

Seth Crystal: Well when I jumped into the movie night I had my tux on because I didn't think the host would particularly like an anatomically correct furry sitting naked on his furniture.

you: so are there furies who wouldn't have any contact to humans?

You: so you are having fun here in sl :)

Seth Crystal: I'm like a big teddy bear, I like to cuddle.

Seth Crystal: You can feel free to lay down too.

Seth Crystal: I promise, I won't touch the sex poses. >)

You: ok, lets see

Seth Crystal: If you click on the bed you get a dialog for choosing new poses.

You: well - quite elaborate :)

Seth Crystal: Heh, in case that's sarcasm, the first dialog is a means of dividing up the poses into just cuddles and „wild sex“

Seth Crystal: I've had a few people visit my bed and think there's only two poses. >D

You: no - it wasn't meant to be sarcastic

You: which two poses?

Seth Crystal: Well I thank you for the compliment.

Seth Crystal: When you first click on the bed you get a dialog that has two buttons, "Cuddle" and "Sex"

You: yes i saw that :) ok, so the people think there are only the two poses

Seth Crystal: Some people think that means there's only two poses, one for cuddling (they assume this is the only cuddle) and the other for sex.

You: so are you having wild sex here a lot?

Seth Crystal: A lot, no. I HAVE had sex here though.

You: did you like it?

Seth Crystal: It's not as fulfilling as the physical act, but online it's less about the feeling and more about the emotion.

You: what do you mean by the emotion?

Seth Crystal: Well sex is always a means of coming closer to your partner. In real life that's physically as well as emotionally, but online you only have words to express yourself and your feelings.

You: yes i know :)

Seth Crystal: With some people, sex online is just a bunch of clicking sex parts to make noises (an xcite penis for men, or vagina for females).

You: :)

Seth Crystal: But furies in particular, though some humans also enjoy it, prefer to type all their actions out and leave the sounds their partner makes to their imagination.

You: so more the romantic type :)

Seth Crystal: Right.

Seth Crystal: I have a theory that all furies are writers, I've yet to find one that isn't expressive in text.

Seth Crystal: As a result, furies are renowned lovers online. You aren't likely to find another group of people who can stimulate you the same way. >)

You: :)

You: so was that an offer?

Seth Crystal: I've never "had" a human on SL before, though I have made the offer to a few. >3

Seth Crystal: But I'm somewhat select with my partners, I like to know them first.

You: so what does that mean?

Seth Crystal: Just talking.

Seth Crystal: I like to cuddle with everyone and talk, but I prefer to get to know my sexual partners more than casual conversation.

You: very good :)

Seth Crystal: Get to know their views on life, what interests them.

You: yeah i guess that's a good way

Seth Crystal: Most women find it amazing to hear about a guy who doesn't want sex with a willing female, most non-furies are confused that I'm not trying to have sex with them while they're on my bed.

You: indeed that's not very common. but btw - i'm none of these willing women :)

Seth Crystal: >)

You: i'm just trying to check out what's going on here :)

Seth Crystal: That's what I'm doing. >)

btw = by the way

Alan Abrax: no, on SL

You: really?

Alan Abrax: in NYC I have been a big fan of MoMA for years and years

You: where is the museum?

You: the MoMA is great

Alan Abrax: yes I can't wait for their Dada exhibition this spring.

Alan Abrax: it's behind you

You: thats the museum?

Alan Abrax: the first 2 floors are kinda blah, but the upper ones have more modern stuff

You: it's still building up

Alan Abrax: ok

You: ok, lets have a look

You: do you see everything already?

Alan Abrax: yes, I do

Alan Abrax: I will wait for you though :)

You: but it's still a bit blurry, right?

You: i mean the pictures?

Alan Abrax: sure.. it helps if you move your mouse pointer over the picture

Alan Abrax: I was here last night so I already have the pictures on my cache

You: ok, good hint

Alan Abrax: it takes a while

You: is that actually allowed to put these pictures here?

Alan Abrax: no

Abstract Expressionism

You: i love mark rothko!

Alan Abraxas: heh my roommate in college was an architect, and would do

Rothko imitations like that one

Alan Abraxas: he'd do about 15-20 and leave them lying about on the floor for people to step on

Alan Abraxas: lmao

lmao = laughing my ass off

You: did he give you one as a present?

Alan Abraxas: heheh he gave them away to anybody

You: so you say heheh instead of hihhi?

Alan Abraxas: yes, I mostly say hehehe

Alan Abraxas: maybe it is a US thing :)

You: so i better say hehehe, so people can understand me?

Alan Abraxas: possibly :)

You: ok :)

Alan Abraxas: although I have nothing against your own individual expressions :)

You: at least you would understand that, but others will always think i'm greeting someone

Alan Abraxas: yes, it's true :)

You: :)

You: but i'm amazed - they really have interesting pictures here

Alan Abraxas: yes isn't it?

You: and it's also some kind of education program

Katrina Bergsted: minus dem sex ist es ganz witzig

Ryleigh Sullivan: i did win :)

You: so but what are you doing exactly here?

Corinne Vargas: That's such a good question.

Corinne Vargas: I walk around the sim every day.

Corinne Vargas: Check on new folk

Corinne Vargas: Help folk with stuff.

Corinne Vargas: Sometimes I have projects like finding new vendors

You: and you get payed for that?

Corinne Vargas: I do.

Corinne Vargas: And handsomely.

Corinne Vargas: ARe you looking for work?

You: well, why not

Corinne Vargas: What I can do is give you a shout if anythng comes up here.

Corinne Vargas: They are after hosts for the nightclub.

Corinne Vargas: But if you don't have a powerful computer that might be a hassle for you.

You: but i cannot really picture what you have to do

Corinne Vargas: I know

Corinne Vargas: I couldn't when I started here.

Corinne Vargas: I think you have to be helpful and friendly.

You: so that people feel good and buy stuff?

Corinne Vargas: Well - it's more about them having a good experience of the Sim.

Corinne Vargas: Doesn't matter if they buy stuff.

Corinne Vargas: They'll tell their mates

Corinne Vargas: And that's all good.

You: but why would anyone pay you if they don't get anything back?

Corinne Vargas: Well they do. All the time you spend here or anywhere - the people who own the land get paid for.

Corinne Vargas: Dwell money.

Corinne Vargas: So if folks want to be here that's really good.

Corinne Vargas: That's why you want frequent change.

It features a silhouette of a forest and the text "Land For Sale" in a serif font. In the background, there are snow-covered hills, a few evergreen trees, and a small building with a gabled roof on a distant ridge. The sky is dark and cloudy.

Katrina Bergsted: hast du reales geld gewechselt?

You: weißt du, woher man hier ein grundstück bekommt?

Katrina Bergsted: gibt es zwei möglichkeiten

Katrina Bergsted: und du must monatlich eine gebühr je nach grösse des lands zahlen

You: ok, aber wenn du mietest zahlst du ja auch

Katrina Bergsted: wenn du premiüm meber bist bekommst du 500 L in der woche

You: bist du premium member?

Katrina Bergsted: ja aber premium mitglied sein bedeutet 72US\$ im jahr

Katrina Bergsted: ja ich hatte ein stück land aber ich habs wieder verkauft

You: und wenn du mieten willst steht immer schon ein haus drauf?

Katrina Bergsted: wenn du ein grundstück kaufst hat das ein sogenanntes prim limit

Katrina Bergsted: das heist wieviel sachen du auf das grunsück stellen kannst ist begrenzt

You: ok

Katrina Bergsted: für ein vernunftiges haus brauchst du mindesten 2048 quadrameter

Katrina Bergsted: und das bedeutet 15us dollar monatlich plus premium mitgliedschaft

You: ok, verstehe...

Katrina Bergsted: weiss nicht ob du das unbedingt zahlen möchtest

You: das stimmt...

You: ich dachte nur, dass es vielleicht ganz interessant ist , ein bisschen zu bauen,...

Bill Harvest: It was just something to experiment with building

EXCITING TIMES FOR SUPPORTFORHEALING!

~~~~~  
I have been approached with a view to making a short film about Supportforhealing in Second Life to be shown on UK national TV in July. There seems to be a good chance that this will happen. Watch out for more news in next months newsletter.....

Also I am pleased to report that our events organiser, Nala Zaftig, is back in world and rebuilding Club Underworld so I hope to be able to report some new events shortly.

Meditation Group - change of audio material

~~~~~  
Early in April the streaming instructional material will be changed. I have suggested to the meditation group that we have instruction on Metta practice next but this is open to debate - please IM me if you have any other suggestions.

Come and enjoy the tranquility and recharge your emotional batteries!

You just arrived at Camp Darfur.

You are seven months pregnant after a series of gang rapes by the Janjaweed.

Right now you need to use the bathroom.

The aid worker leads you to the latrine, which looks like a square hut with a small opening at the front.

You hesitate.

You don't want to go inside a structure where no one can see you. What if someone is hiding in there, waiting to rape you again? What if someone comes in and attacks you while you're in there?

For the moment you decide to hold it a little longer.
